

## Directions to the Mount Yamnuska area of the Bow Valley Wildland Park

Head west on Highway 1. Approximately 80 km from the outskirts of Calgary, turn right onto Highway 1X immediately after crossing the Kananaskis River (look for sign for Seebe/Exshaw). Continue traveling north on 1X for approximately 4 km, until you reach a T-junction with Highway 1A. Turn right and travel 2 km until you find the first unmarked gravel road on your left. Turn onto this road and follow it into the parking lot. Park the bus on the right hand side of the lot where CPAWS Education staff will greet you.
